<b>Accommodation</b> <i>(NB This section is optional)</i>
<p>The booked accommodation will largely consist of rooms shared between two people, although there will be a very limited number of single-occupancy rooms available. Those of you who request a single occupancy room will be required to pay a small surcharge to cover the price differential. If you have specific accommodation requirements, please provide brief details here.</p>
<b>Pricing Information</b>
<p>We estimate that the cost for listeners will be in the region of €75. This price covers the cost of two nights' accommodation (20<sup>th</sup> and 21<sup>st</sup> August) and the majority of meals over the course of the conference. Further funding would enable us to lower these costs. Given that we are still actively seeking funding, this price may eventually be lower.</p>
